

AMENDMENT TO THE SPECIFICATION

Kindly replace the paragraph beginning at line 2 of page 6 with the following amended paragraph.

The door handle 10 mainly includes a frame 11 and a grip 42 20. As shown in Fig.4, the frame 11 is fixed to the inside of an outer panel 31 of the vehicle door 30 by using two screws 32. The frame 11 is resinous and integrally includes a main frame 12 and a chassis 13, as shown in Figs. 3-8 in detail.
